Introduction

This Privacy Policy explains how the FLUXERA application collects, uses, and protects your personal data. By using the application, you agree to the practices described in this policy.

Information We Collect

To provide and improve our services, we may collect the following information:

1. Device Information

- Device ID (collected differently on Apple and Android)
- Operating system and version
- Device model

2. User Content

- Uploaded images
- Images you create or transform
- Image generation preferences and parameters

3. Usage Data

- In-app interactions
- Feature usage statistics
- Error reports

4. Language and Region Preferences

- Preferred language
- Device region settings

How We Use the Information

We use the collected data for the following purposes:

1. Providing and Improving Our Services

- Run image transformation features
- Create and manage personal galleries
- Deliver personalized content
- Identify and resolve technical issues

2. Personalizing User Experience

- Remember language and interface preferences
- Customize features based on usage patterns

3. Communication

- Notify users about updates, new features, and support
- Respond to user feedback

Data Processing and Storage

1. Data Storage

- Your images and user data are stored using AWS S3 cloud storage

- User profiles and preferences are stored in a Supabase database

2. Third-Party Services

Our application uses the following third-party services:

- **Supabase:** User authentication and database services
- **AWS S3:** Image storage services
- **RevenueCat:** Purchase and subscription management
- **OneSignal:** In-app notification services

Each of these services has its own privacy policy. We recommend reviewing them to understand how your data is handled.

Data Sharing and Transfers

1. Service Providers

We share data with the service providers listed above to ensure the proper functioning of the application.

2. Shared Content

Images you mark as “public” may be visible to other users within the app. You can change your content’s privacy settings at any time.

3. Legal Requirements

We may share your data when legally required, such as in response to a court order or to protect our legal rights.

User Rights and Controls

1. Access and Control of Your Data

- You can access and manage your account data within the app
- You can delete your images at any time
- You can change your language and notification preferences

2. Data Deletion

You can permanently delete your account and all associated data using the “Delete Data” option in the app. This action cannot be undone.

Children’s Privacy

Our services are not designed for children under the age of 13. We do not knowingly collect personal data from children under 13. If you become aware that a child under 13 has provided personal information, please contact us.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of significant changes and, when possible, display a notification within the app.

Contact

If you have questions or concerns about our privacy policy or data practices, please contact us at:
